

CIMBA ITALY

Experience Italy & Earn
Graduate Business Credits

SUMMER SESSIONS 2015
WWW.CIMBAITALY.COM

JOIN THE CIMBA FAMILY

CIMBA offers dynamic, personal, and affordable study abroad, MBA, and executive programs in Paderno del Grappa, Italy. For two decades, CIMBA has educated students from more than 50 countries and is proud to have more than 10,000 alumni living and working around the world.

CIMBA students and faculty come from a consortium of 35 top universities in the United States. The Consortium, led by the University of Iowa, is a non-profit organization committed to international business, communication, and global leadership education.

ENJOY BREATHTAKING VIEWS

The CIMBA campus is located in Paderno del Grappa at the base of the Italian Alps in northern Italy— just an hour north of Venice. Open your window each morning, and enjoy magnificent views of Mount Grappa and the Venetian countryside.

Paderno del Grappa is in the heart of the Veneto Region of Italy. You will gain a global perspective through CIMBA's connections to world-renowned corporations surrounding our campus, while also enjoying the quaint, cultural experience of living in an Italian community.

THE CIMBA CAMPUS

While at CIMBA, you'll live on a beautiful campus that is shared with Italian students. The campus includes residence halls where you choose a single or double room, a cafeteria with three meals a day, recreation room, computer labs, and athletic facilities including a pool, cardio and weight room, tennis, basketball, and volleyball courts, and a soccer field.

HOW TO APPLY

Preferred application date: April 1
Apply at www.cimbaitaly.com

Applications will continue to be accepted on a rolling basis. Students should check with their home university as it may have special application procedures.

SUMMER 2015 HIGHLIGHTS

- Take **three credits in two weeks** or **six credits in four weeks**
- Complete up to two upper level business electives
- Network with international business leaders during class and company tours
- Experience **Italian culture** through seminars like wine appreciation, pizza-making classes, and a gourmet meal
- Enjoy a weekend for **independent travel**

SUMMER GRADUATE PROGRAM

Earn up to six credit hours. Enroll in one session for three credits or both sessions for six credits

Enhance your resume. Add transferable skills, including intercultural competence, communication, and global awareness

Expand your global network. Study and network with students and faculty from around the world

Immerse yourself in Italian culture. Attend cultural seminars, company tours, and excursions across the Veneto region

Session II:

June 2nd—11th (arrive on June 1st)

Topics in Management Sciences: Lean Six Sigma
Pat Hammett, University of Michigan (3 credits)

This course incorporates the most widely-used concepts and tools from both Lean and Six Sigma and shows their applications within the DMAIC problem solving approach. We will examine the application of DMAIC toward quick win problem solving situations aimed at eliminating waste and consider more comprehensive DMAIC applications where new data must be collected and analyzed to identify the best improvement plan. Key lessons are reinforced through exercises, case studies, and in-class simulations.

Optional: Complete additional project/training after program dates to receive Green Belt Certification (additional fee of approximately \$500).

SESSION OFFERINGS

Session I:

May 19th—29th (arrive on May 18th)

Topics in Accounting: Business Fraud Risks
Paul Mason, University of Kansas (3 credits)

This course explores various academic approaches to fraud, including factors learned from other disciplines such as sociology and psychology. Some of the topics covered include: skimming transactions, identity fraud, computer schemes, money laundering, bribery and kickbacks, and corporate espionage. (Prerequisite: At least one introductory accounting course)

**COMPLETE
SESSION I, SESSION II,
OR BOTH!**
