STUDY ABROAD IN ITALY
Undergraduate Programs

“

When people ask about the best part of being abroad, I tell them about Paderno. I would chase the sunsets over the Alps, chat with locals, and adjust to a daily culture very different from my own. I'd visit big cities on the weekends, but I always looked forward to time in my little mountain town." - Caroline, Fall Alumna

CIMBA Campus, Paderno del Grappa

THE CIMBA DIFFERENCE

CIMBA is a smart addition to your professional toolbox. Our all-inclusive tuition means that you have everything you need right on campus. From furnished rooms with private baths and a dining center to a gym, sports fields, and cafe, CIMBA ensures that you will have a worry-free experience in Italy with no surprise expenses. Additionally, accreditation with the University of Iowa means you will stay on track to graduate!
